

Store Policy on Minors

Here at Mountain Gremlin Games, we aim to create an inclusive atmosphere where all are welcome.

Many products carried here may not be suitable for under 16s for a number of reasons. This could be due to the complexity of the rules, the imagery contained or any inherent danger i.e. – modelling knives or glue. We reserve the right not to sell any product to any person deemed unsuitable for that individual.

There are a number of game related activities that take place within the shop where under 18s are welcome to join in. However we ask that children under 16 in attendance of these activities be accompanied by an appropriate adult over 21.

We reserve the right to refuse service or entry to children under 16

Any child under 16 that is brought into the shop by an adult and is left untended will be considered abandoned. The police will be called and a member of staff will wait with the child, outside the shop with the child until they arrive. The child will be handed over to their care as an abandoned child.

Thanks for your understanding in this matter.
